*in partnership with Indigenous Link*

Since 1999, Competitive Edge Media Group Inc. has been dedicated to designing various tools to communicate with underrepresented groups across Canada. Since then, our recruiting strategy has been very successful at helping both employers and job seekers find employment in Canada.

As part of our company's ongoing commitment in providing quality employment services to Canadian job seekers, we introduced three job boards and related services that are fully-focused on helping 'newcomers' to Canada, 'youth' and refugees/asylum seekers.

- NewCanadianWorker.ca (New to work-force, new Canadians & immigrants)
- NoExperienceneeded.ca (Students & entry-level job-seekers)
- APathForAll.com (Refugees & asylum seekers)

Through our strategic partnership with Indigenous Link's Diversity Recruitment Program, Careers.Indigenous.Link offers the hottest job listings for Canada's largest corporations and government departments. Indigenous Job Seekers can find thousands of Indigenous-specific jobs in just about every industry, city, province and postal code. The team behind Indigenous Link is dedicated to connecting Indigenous Peoples of Canada with great jobs.

Competitive Edge Media Group Inc. will continue to add services and enhance functionality ensuring a more effective employer and job-seeker experience.
